Send an Add Call to Brad, informing him that a specimen was dropped off.

Place specimen, as well as this completed form in a Ziploc baggie, seal, then place next to the microscope on the north side of the office.

Office Personnel who took specimen: \_\_\_\_\_

Any additional comments: \_\_\_\_\_

Brad identified pest specimen as: \_\_\_\_\_

### Brad's recommendation for next steps:

Set up a consultation appt. for pest if new customer or pest is not included in agreement

Schedule a call back service (pest is included in service agreement)

No action necessary
